MAMMA MIA! (ABBA)

1) Fill in the blanks

I was _____ by you,
Since I don't know when
So I _____ my mind,
It must come to an end
Look at me now,
Will I _____ learn?
I don't know how,
But I suddenly lose control
There's a _____ within my soul

2) Choose the correct option

Just one look and I can hear a bell/cell ring
One more **look/look** and I forget everything
Mamma Mia,
Here I go again
My, My,
How can I **resist/insist** you
Mamma Mia,
Does it show again
My, My,
Just how much I **miss/missed** you

3) Explain the underlined phrases with your own words

Yes, I've been broken hearted
Blug since the day we parted
Why, why did I ever let you go
Mamma Mia,
Now I really know
My, My,
I could never let you go
I've been angry and sad about the things that you do
I can count all the times that I told you **we're through**
And when you go,
When you slam the door
I think you know that **you won't be away too long**
You know that I'm not that strong

"No, thank you! Don't travel me in the culture of comparison? Let's look at the nursing camp. Just remember, regardless of the sacrifices you make now, big or small, to go a long way to help you reach your dreams of becoming a millionaire. And if you spend too much time focusing on what you're doing, you could be in big trouble with your own money. Stay away from the debt of automobiles, clothes to jeweler houses, you can get a pr@ for almost anything today in d@a. You can become a millionaire, and it has nothing to do with your family's money or where you got your title. "That's a great goal! But maybe it seems too far in the distance or too impossible for you to reach. Put your plan on repeat to become a millionaire, you must let time and compound interest work your magic. It's a beautiful thing. And if I expected just five years, I'd be sitting around \$3.3 million. Yikes. Every time you buy something with credit, you're digging a hole deeper for yourself. 8 Tips for becoming a millionaire. Stay away from debt investment early) and constantly causes savings to increase your income to reach your goal. Cut off unnecessary expenses. These eight principles, being on your way to becoming a millionaire. Increase your income to reach your goal. You don't need a six-figure salary to become a millionaire. Invest early and consistently the sooner you start investing, the more likely you are to become a millionaire. You can apply for a raise (Gulp) or simply get a job that pays more. Here's a better scenario: if you invest 15% of the income of \$ 69,000, eliminate \$ 10,350 a month or about \$ 863 a month, and you'll have to work four to five additional days to reach \$1 a n. If you are concerned about paying to continue your education, request scholarships and grants. It is easy to use, and will help you find investment professionals in your area. Thank you, inter-composed! If you start saving \$ 300 per month from 25 years, assuming a return rate of 10%, you could reach the Millionaire status at the age of 60 and be sitting in a nest of \$ 2.3 million when you retire Age 67). Try cut out some of those monthly subscriptions of your budget. Look at your previous month budgets to see where you can be filtering money or where you could cut expenses. In 30 years, that could grow to \$ 1.9 million, assuming a return of 10%. Make the savings a priority if you have already begun to invest (Baby Step 4), ä € € eGood! But keep in mind, if you want to become a millionaire, how much money invest is as important as the actual act of investing. Can you get better rates? But if you waited 10 years and then she reversed \$ 300 a month, you just would have \$ 678,145 for the time she turned 65 years. This is how things were shaking: If we apply that 5% to the average family income of \$ 69,000, it is at \$ 3,450 at year around \$ 288 to the month2.inverted more than 30 years, assuming a rate of return of the 10%, that money could become \$ 651,000. You will be surprised by the amount of money you can save on 30 days! Subscriptions, Gym membership, Steaming music services, Subscriptions to magazines. It ends up being only 17,550 dollars to the year. Probably oxidizing in some junk deposit. Of course not. Buy for there and find out. Let's be realistic here: it's time to stop buying things that we can not afford to impress people I do not even like it!
